

Installation Instructions For:

Phantom Flash Hider

Part Number(s): YHM-3080, YHM-28A, YHM-80-ZA, or YHM-27-ZA

ONLY a licensed gunsmith experienced with your model of firearm should install this product. Failure to install this product correctly voids any warranties of the product and removes any liabilities against the manufacturer. Be certain the firearm is unloaded and the muzzle is pointed in a safe direction before starting this removal and installation process.

1. Remove any existing muzzle attachment and clean the threads of your barrel.
2. Install the supplied crush washer making certain the small-protruded portion of the washer is contacting the flange surface of your barrel.
3. Using a 3/4 wrench, tighten the Flash Hider to 15- 25 ft. lbs. of torque.
